SAIF UR REHMAN

Junior Full-Stack Developer | React.js | JavaScript | Django

Jaranwala, Pakistan | workspacesaif@gmail.com

Professional Summary

Motivated Junior Full-Stack Developer and Software Engineering student with hands-on project experience in developing responsive web interfaces and web applications. Skilled in HTML, CSS, JavaScript, Bootstrap and React.js, with working knowledge of Node.js, Python, Django and Django REST Framework. Familiar with REST API integration, Firebase services, Git/GitHub, and API testing tools. Experienced in building personal projects, developing reusable UI components, and improving application functionality through practical implementation and testing. Seeking an entry-level developer position or internship to contribute to practical software projects, collaborate with development teams, and strengthen professional development skills.

Technical Skills

- **Frontend Development:** HTML5, CSS3, JavaScript, React.js, Bootstrap, Responsive Web Design
- **Backend Development:** Node.js, Python (Basic), Django, Django REST Framework
- **Databases & Storage:** Firebase, Cloud Fire store, Firebase Storage, SQLite
- **APIs & Tools:** REST APIs, Postman, Thunder Client, Git, GitHub, VS Code

Hands-On Development Experience

- Develop responsive web interfaces using HTML, CSS, JavaScript, Bootstrap and React.js.
- Build reusable UI components to improve consistency, maintainability, and user experience.
- Integrate frontend components with REST APIs to support application functionality.
- Use Git and GitHub for source-code management and project collaboration.
